“SLIDING LIBERIA”, a story of war, peace, and SURFING !!!

On THURSDAY, July 30, 2009 at 6 pm at the Bend Public Library, 601 NW Wall Street in the Hutchinson Room.

“Sliding Liberia” follows the story of 4 young surfers to Liberia. They risk everything to explore this West African nation devastated by decades of war. They record the stories of people they meet; like Alfred a young boy who becomes Liberia’s first surfer after he finds a boogie board while fleeing from rebels. The 4 American surfers find something more important than perfect waves-a way to travel responsibly in the 21st century. IndieWire calls this film, “A stunning and perfectly executed surf film with a social conscience”.

This meeting is free and open to the public. For more information please contact Phil at 388-1793 or phil@tiedyed.us. This meeting is made possible through the generous support of our granting organizations -MRG Foundation of Portland, OR and RESIST of Somerville, MA.
